Job Opportunity

Behavior Technician, (ABA)

Part time: 15-30 hours per week, with potential to work towards more hours if desired.

Company Overview

Wickler Behavioral Consulting (WBC) is a therapist-run ABA company. We specialize in evidence based, individualized care that values family dynamics for children with autism spectrum disorder from birth through adolescence. Our services are held in the home, daycare, school, community, or office based on the needs of each client. Our treatment plans are naturalistic and focus on the pivotal areas of development. We work closely with the family members, teaching skills for them to be successful and learning tips/tricks to maximize progress. WBC values collaboration with other service providers and actively incorporates strategies from speech and occupational therapists, creating a team approach. Our overall goal is to help each individual reach his or her full potential.
